

Craig Scissorhands - BLOODY VALENTINE

Chorus

That's a cute dress

It would be a damn shame if it got stained with your blood

Bet your mother would be sad

But it's fine, I'm not her so I don't give a fuck

That's a cute dress

It would be a damn shame if it got stained with your blood

Bet your mother would be sad

But it's fine, I'm not her so I don't give a fuck

Verse

I bet you'd look so cute with a shotgun

But it's pointed at your head

You want someone, but I'm not that one

So don't be shocked if you end up dead

Chorus

That's a cute dress

It would be a damn shame if it got stained with your blood

Bet your mother would be sad

But it's fine, I'm not her so I don't give a fuck

That's a cute dress

It would be a damn shame if it got stained with your blood

Bet your mother would be sad

But it's fine, I'm not her so I don't give a fuck
