**Can't escape the circus I  
Can't escape the circus I  
Can't escape the circus Im  
Losing my mind cause I  
Can't escape the circus I  
Can't escape the circus I  
Can't escape the circus Im  
Losing my mind cause I  
Can't escape the circus I  
Can't escape the circus I  
Can't escape the circus Im  
Losing my mind cause Tonight  
Im feeling like a prisoner  
Cause theres no future here  
Gonna knock em down ya  
Every last one of them  
Gotta find my way out hÐµre  
Yeah that much is clear  
Looking for my friÐµnds  
Yeah i doint know what is real  
Digital circus more like digital prison  
Gotta find the escape  
Feel like im on a mission  
Running low on my time  
Gonna meet my demise  
Put my life on the line  
And now im losing my mind**
