

Virgin CupcakKe Remixes - Rick Ross

{Verse 1}

Rick Ross, oh, Rick Ross
Cum like clear lipgloss
Aren't you the wettest bitch
Of this side of my hole?

Dear papi Rick Ross
My eyelash flew off
Did I ever tell you
That I'm naked at home?

{Chorus}

Oh, I cream, I cream, I cream
Like pussy mean and clean
I finger all the time
Watching penis in plain sight

And oh, get so much neck it's wrong
But I feel it in my bones
I see you masturbate
The wettest cumshot one could take

{Verse 2}

Hard horny Rick Ross
Ass don't smell like Fritos
I feel your customer service
Like rubbing on clit
Juggling starlet
Monhoe reincarnate
Well, aren't you the snatchest bitch
To ever put it in?

{Chorus}

Ooh, I got, I got, I got

Like dildos in your crotch

My kidney's all in knots

You got Bill Cosby that I'm not

Ooh, get so much neck it's wrong

I change the thongs

Pussies are pussies

But it's like you're made of angel nut

{Outro}

Rick Ross, oh, Rick Ross

Made my lipstick slip off

You poison then move and groove slow

While I'm nude

Rick Ross, oh, Rick Ross

Just let me jack it off

And run your dick, no marathon

Might turn your balls blue

And afterwards, I'mma need a hair salon

Like I'm in beauty school
