

## **Hokus Pokus - I Need a Friend**

**What I need is a friend**

**Someone to stick with me through thick and thin**

**I've been alone so many dark nights**

**I need a friend to make things look bright**

**Girl, if you would only be my friend**

**I would give my share and make up for odds and ends**

**For this world, it would make me a better man**

**Just to know that you would be my friend**

**Hey! Baby! Yeah!**

**Be my friend**

**Baby! Oh!**

**Be my friend**

**Ah, baby**

**I got something to tell you**

**Ah, listen, baby**

**I love you**

**I love you, baby**

**Baby**

**But I really, really need you**

**To be my friend**

**Baby**

**I love you**

**I love you, baby**

**I just, I just need one thing from you**

**Oh, be my friend right now**

**Hey, hey, hey, hey, hey**

**Oh**

**Be my friend right now**
