

Adamariz & Jericko - WINGS

{Hook: Jericko}

Under His wings (Oo woah)

I find refuge (I find refuge)

Under His wings (His wings)

I find refuge (I find refuge)

{Verse 1: adamariz}

Man, I used to be so confused

Didn't know what to do

I would talk down on myself

Like you are such a fool

Lock myself in a room

Devil taunting me with my behavior

Same things he told me to do are the same things he used against me later

Said, I need a savior

Hide me under your wings, I need rescuing

Even when I didn't deserve His grace and His mercy, He was still faithful

Even when I felt unable to raise my hands and give a praise report

God was still faithful

Before there was Abel

Jesus died for you and He only needed the weekend to show you His blood was capable

Of washing your sins, this ain't no fable

This ain't no, this ain't no fable

This is my life

You see it, He's faithful

{Hook: Jericko}

Under His wings (Oo woah)

I find refuge (I find refuge)

{Instrumental Switch}

{Verse 2: Kemvr}

**In the shadow, He got light bring it in
In the dark, there was light blinding
God can bring a righteous life, so we in
In the shadow, His wings, we gon' win
High key, we gon' show you how it go
Never back down, we gon' springboard off the rooftop
We gon' show you what these wings gon' do
I swear that we keep going, we don't even know stars
Scream His name till they know God
We gon' go insane when the show the starts
We gon' break the chains, they don't know us
We are not the same, got a new cause
Yeah, we worship from the a.m. to the p.m
God of faith that really push back all the legions
Only Trinity acquired my allegiance
From the one who saved my soul, His name is Jesus
He bought my lease
Now I'm walking free
Now we pushing P, right under His wings
He bought my lease
Now I'm walking free
Now we pushing P, right under His wings**
