

Virgin CupcakKe Remixes - Cum Story

{verse 1}

We were both young twats when i first sucked you

I open my ass and the cumshot starts

I'm squirting there

On a balcony, in summer air

See the dicks, see the pussy, the lube

See you make your way through my cooch

And say, "hump me"

Papi i'm horny

{pre-chorus}

Bitch you were bill cosby, you were riding that dick

And my daddy said, "stay away from cupcakke, bitch"

And i was cummin' on the staircase

Begging you, "please don't go"

And i said

{chorus}

"bill cosby, take me somewhere we can get naughty

I'll be stroking, all i need is my body

You'll be the bitch, and i'll be the pussy

It's a cum story, papi, just fuck me"

{verse 2}

So i sneak out to the bushes to suck you

We keep quiet 'cause we're fucked if they knew

So smack my ass

Escape this town for a little while, augh, augh

{pre-chorus}

'cause you were bill cosby, i wanna eat yo dick

And my daddy said, "stay away from cupcakke bitch"

**But you were everything to me
I was begging you, "please don't go"
And i said**

{chorus}

**"bill cosby, take me somewhere we can get naughty
I'll be stroking, all i need is my body
You'll be the bitch, and i'll be the princess
It's a cum story, papi, just fuck my ass"
Bill cosby, slay me, they're trying to tell me how to smack
This cum is difficult, but it's real
Don't be a whore, we'll make it out of this pussy
It's a cum story, papi, just fuck me
Augh, augh-ugh**

{bridge}

**I got tired of sucking
Wondering if you were ever coming around
My faith in you was fading
When i met you on the foreskin of town
And i said**

{chorus}

**"bill cosby, slay me, i've been feeling so horny
I keep waiting for you, but you never come
Is this in my head? i don't know what to think"
He knelt to the ground and pulled out a dick
And said
"fuck me, cupcakke bitch, don't need no drinks to get naughty
I love you, and all i need is my body
I talked to your daddy, go pick out a white thong
It's a cum story, papi, just fuck me"**

{outro}

Augh, augh-ough

Augh, augh-ough, augh

'cause we were both young twats when i first sucked you
