

Virgin CupcakKe Remixes - Why Play With Dildos?

{Verse 1}

I used to gulp, now I just put it down
I used to blow, bubbles with sperm
Now I play with dildos
Why play with dildos?

{Verse 2}

Takin' a ride, I was a pornstar
Looked kinda tight, turn out I'm on top
Just stick it in my hole
Why play with dildos?

{Chorus}

'Cause augh, augh
I don't know how to fuck
But I wanna eat yo dick
I don't know how to fuck
But someday, I'll lick
Soemday I'll lick

{Post-Chorus}

Mm, mm, auh
Mm, mm, mm

{Verse 3}

When did it end? All the salami
I'm wet again, don't tell Bill Cosby
He don't play with dildos
Why play with dildos?

{Chorus}

'Cause I, 'cause I

**I don't know how to feel
But I wanna try
I don't know how to feel
But someday, I might
Someday, I might**

{Outro}

**Think I forgot how to be horny
Somethin' I'm not, Ima make him go :owee
But won't play with dildos
I don't play with dildos
Cause I'm a real hoe**
