

# **SharkPup - Urine is the only thought I had to name this**

**{Intro}**

**Ok my first collab**

**I hope I don't fuck it up**

**{verse 1}**

**I was trying to call your way**

**I was trying to call you on the way**

**Why does Shark Pup have to be so-**

**Why can't you just d-d-d-die (it's a good day to die today)**

**I waited all day to cry, ended up feeling (YEOUCH)**

**I-I-I- cried all-day**

**I-I-I- cried all-day**

**I-I-I- cried all-day**

**Copy my feelings**

**Waiting for my friend's to call me**

**Waiting for my, they never call**

**Oh she waits and calls**

**Wait wait**

**Call me again later**

**Later I'm gonna die (I-I-I- cried all day)**

**{Bridge}**

**You're free I just know it!**

**{Verse 2}**

**Anime on the TV as you fucked me**

**Killed myself that same night**

**You thought that raw dog was good**

**Choppy images smear across the floor as the lights go by**

**Feelings are already passing by**

**Feelings are already passing by**

**What can I do when it**

**You dragged mĐµ out the room**

**(Don't, don't, don't don't stop)**

**{Verse 3}**

**I had a dream**

**WherĐµ you climbed the building's top floor**

**Looked down while the wind blew your hair**

**You teared up while thinking about me**

**You thought we were done after I yelled**

**That night I woke up with blood splattered, all over the apartment's street**

**{Outro}**

**I miss the way he went balls deep**
