

Zeon - Armor

{verse 1}

Change

Wish i could change all this bad in me, yeah

Place

Wish i could find somewhere else to be

Ache

Give me a heartache i can't erase

Race

Racing the feelingâ€™losing control

{prechorus}

Oh, oh, oh

Breaking me down

Oh, oh, oh

Hiding

{chorus}

â€™cause i'm not feeling anything with my

Armor on, armor on

It's getting really hard to breathe with my

Armor, oh, oh, oh, oh, oh

Well i can beat everything

Well i can choose what you see

With my armor on, armor oh oh oh oh oh

{verse 2}

Trade

Wish i could trade in my strength for bliss, yeah

Drain

â€˜cause i'm getting weaker everyday

Blame

Passing it over, right as rain

Face

Wish i could keep oneâ€™let the others fade

{prechorus}

Oh, oh, oh

Breaking me down

Oh, oh, oh

Hiding

{chorus}

â€˜cause i'm not feeling anything with my

Armor on, armor on

It's getting really hard to breathe with my

Armor, oh, oh, oh, oh, oh

Well i can beat everything

Well i can choose what you see

With my armor on, armor oh oh oh oh oh

{bridge}

{chorus}

â€˜cause i'm not feeling anything with my

Armor on, armor on

**It's getting really hard to breathe with my
Armor, oh, oh, oh, oh, oh**

Well i can beat everything

Well i can choose what you see

With my armor on, armor oh oh oh oh oh
