Daphne Ashbrook - Horses

{Verse 1}

We will fly way up high

Where the cold wind blows

Or in the sun, laughing, having fun

With all the people that she knows

And if the situation should keep us separated

You know the world won't fall apart

And you will free the beautiful bird

That's caught inside your heart

{Pre-Chorus}

Can you hear her?

Oh, she cries so loud

Casts her wild note

Over water and cloud

{Chorus}

That's the way it's gonna be, little darlin'

We'll be riding on the horses, yeah

Way up in the sky, little darlin'

And if you fall I'll pick you up, pick you up

{Verse 2}

You will grow and until you go

I'll be right there by your side

And even then, whisper the wind

And she will carry up your ride

I hear all the people of the world

In one bird's lonely cry

I see them tryin' every way they know how

To make their spirit fly

{Pre-Chorus}

Can you see him?

He's down on the ground

He has a broken wing

Looking all around

{Chorus}

That's the way it's gonna be, little darlin'

You go riding on the horses, yeah

Way up in the sky, little darlin'

And if you fall I'll pick you up, I'll pick you up

That's the way it's gonna be, little darlin'

You go riding on the horses, yeah

Way up in the sky, little darlin'

And if you fall I'll pick you up, pick you up

{Post-Chorus}

Way up in the sky, little darlin'

I'll pick you up, don't you worry, I'll pick you up, pick you up

Don't you worry about a thing, little girl

And if you fall I'll pick you up, I'll pick you up

'Cause I was young myself not so long ago

And if you fall I'll pick you up, pick you up

Don't you worry about a thing, little girl

And if you fall I'll pick you up, pick you up

{Chorus}

That's the way it's gonna be, little darlin'

You go riding on the horses, yeah (You go riding on the horses, yeah)

Way up in the sky, little darlin'

If you fall I'll pick you up, I'll pick you up

That's the way it's gonna be, little darlin'

You go riding on the horses, yeah (You go riding on the horses, yeah)

Way up in the sky, little darlin'

And if you fall I'll pick you up, pick you up
