

Adamariz & Jericko - PROMO

{intro: not klyde}

Yeah

Yeah, yeah

Yeah, yeah

Huh, yeah

{hook: not klyde}

My love for you is like a promo roll out

I'm in the kitchen where the knives are

Like a promo, i roll out

I'm in the budget like a random rule

In love with you, make my heart go boom

My love for you is like a promo roll out

I'm on the gram, with the post now

Stuck 224 out that week now, love for you like a roll out

My love for you is like a promo roll out

Yeah, pew

Like a promo roll out

My love for you is like a promo roll out

Uh huh, uh huh

Like a promo i roll out

{verse 1: adamariz}

Roll out, i ain't do this for clout

Jireh what it's all about

Took my heart of stone

Now i walk around with the opposite of a frown, woah

God gave me the promo

Ain't no time to slow my roll

I'm talkin' exponential growth

I'm talkin' streets of gold

Focusing on souls

Yeah, my focusrite, pointin' y'all to the light

The promo ain't for me, it's for christ

If i hope on the mic

Tell the devil, i ain't gon' be polite

Set free the captives

What the devil stole jesus' blood over writes

{hook: not klyde}

Four weeks out to release date

Chippin' on caps and cheats, can't catch no breaks on the highway

Swervin' through roads and laneways, good work doin' my promo

Seven day a week, i'm on go mode

I said my love for you is like a promo roll out

I'm in the kitchen where the knives are

Like a promo, i roll out

I'm in the budget like a random rule

In love with you, make my heart go boom

{verse 2: jericko}

I roll out, out of my bed, onto my knees
That daily bread, payin' my fees
Top of my head, soul on my feet
My soul is the reason he sweat and he bleed
Up on the cross, he was singin' to me
When i was no better than one of the thieves
I'd rather die than refuse to believe
That's no cap, no iceberg
Pickin' shots at the devil, that's my spurge
And we comin' in fully loaded
Salvation from a lost world
I just wanna tell him that i love him a lot
All the sin that i stopped, every demon i fought
I stopped tryna be everything that i'm not
Movin' out one time, pour all my they got
