

Zeon - Hella Good

{Verse 1}

**The waves keep on crashing on me for some reason
But your love keeps on coming like a thunderbolt
Come here a little closer
'Cause I wanna see you, baby, real close up
(Get over here, get over here)**

{Chorus}

**You got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing (keep on dancing)**

{Verse 2}

**A performance deserving of standing ovations
And who would have thought it'd be the two of us?
(I didn't really think it could ever happen)
So, don't wake me if I'm drĐµaming
'Cause I'm in the mood, come on and givĐµ it up**

{Chorus}

**You got me feeling hella good
So let's just keep on dancing
You hold me like you should
So I'm gonna keep on dancing (keep on dancing)
You got me feeling hella good
So let's just keep on dancing**

You hold me like you should

So I'm gonna keep on dancing (keep on dancing)

{Chorus}

You got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing (keep on dancing)

You got me feeling hella good

So let's just keep on dancing

You hold me like you should

So I'm gonna keep on dancing (keep on dancing)

Keep on dancing

Keep on dancing
