

## **Zeek - How it goes**

**{Intro}**

**Oohhh**

**(thats real)**

**(Hook)**

**Get back, i love this girl and i wanna keep it like that**

**I know they hitting her phone, man i hope that she ain't type back**

**(ooohh)**

**And i think she know, that she opening my eyes**

**And she opening my soul**

**Fuck it mama, we gettin married, and thats my goal**

**And you know, that a nigga really love you, yea you know**

**And a nigga really trying: how it goes**

**But, i can't move without her, and you know**

**And she really can touch a nigga soul**

**And im never finna let that girl go, no**

**No**

**{Verse}**

**I just need her to tell me: that she down to ride**

**We could make this shit foreva if u really like**

**But, im giving you my all. dont leave me traumatized**

**Mane, i ain't worried bout i know she down to ride**

**Not like that, but we gon be fucking one night**

**Im talkin fight night**

**She ain't throwing fucking punches, im laying good pipe**

**Nigga**

**I told my mom that she prolly make a good wife**

**She looked confused like a nigga was prolly high**

**And i dont even smoke**

**But she looked serious, im talking bout dead in my eye**

And she said "œzeek, man what the fuck im finna cry, you a young nigga, why the fuck you rushing life?" i said its not like that, but i swear that this my wife, and i can't even fight that

Cus i love this girl for life

{Hook}

Get back, i love this girl and i wanna keep it like that

I know they hitting her phone, man i hope that she ain't type back

(ooohh)

And i think she know, that she opening my eyes

And she opening my soul

Fuck it mama, we gettin married, and thats my goal

And you know, that a nigga really love you, yea you know

And a nigga really trying: how it goes

But, i can't move without her, and you know

And she really can touch a nigga soul

And im never finna let that girl go, no

{Outro}

I go crazy bout her, i ain't gon hold you

Crazy thing, we ain't even together no more

Shit, we pose to be forever

Oh-kay
