

Ed Enemies - Intruder Survivor

{Intro}

Yuh, Yuh

Yuh, Yuh

Yuh, Yuh

Always sippin drank

Let my demons ruin your mind

Always sippin drank, i ain't got no tank

Yuh, yuh

Yuh, yuh

Yuh, yuh

{Chorus: Ed Enemies}

Always sippin drank, i ain't got no tank

Let my demons ruin your mind

Shoot up with some slime

Get choked u get played with, Squeeze u with my pith

Baddies might be lying, i hear your hiring

Play with my feelings, U ain't getting no dealings

Calling my intruders, Stick up the hooters

Lying ain't no good look, Leaping got u shook

Living as a villian, Know my boy Dylan

{Verse 1: Ed Enemies}

Keep looking at me, U ain't got faith in me

Crack a window

Going different rows

Opps know where u are

If I did my own part

Baby girl take a pill of your own

Hiding avoiding to be shown

All the money I'm gaining throw it in a loan

{Chorus: Ed Enemies}

Always sippin drank, i ain't got no tank

Let my demons ruin your mind

Shoot up with some slime

Get choked u get played with, Squeeze u with my pith

Baddies might be lying, i hÐµar your hiring

Play with my feelings, U ain't getting no dealings

Calling my intruders, Stick up thÐµ hooters

Lying ain't no good look, Leaping got u shook

Living as a villian, Know my boy Dylan

{Outro}

Demons always possessing my mind
