

Paula DeAnda - Yes I Will

{verse 1}

**I look at you you're everything
That i've ever asked god to send me
It through the pain
And it feels great i can say
No longer that life's mean
The way you do the little things
That you do always remind me
I found the one the only one you're the one
With whom i can start a family**

{pre-chorus}

**(i'm so lucky) i found you
(no one holds me) like you do
(one day i'll be the mother)
Can't wait to be that (to your child)
(all my secrets) you will know
(if it's not with you) i won't go
(can't wait to be the mother)
Can't wait to be the to your child**

{chorus}

**Catch the kiss for us (yÐµs i will)
Buy a place for us (yes i will)
Put my life on my trust (yÐµs i will)
All this â€˜cause i'm ready for love
Catch the kiss for us (yes i will)
Buy a place for us (yes i will)
Put my life on my trust (yes i will)
All this â€˜cause i'm ready for love**

{verse 2}

**When i'm away 10 times a day
You a call just to see if i'm okay
Boy if my days are filled with rain
You was trying to make it all i'll go away
(everything's gonna be all right)
You look at me just like a kid
With a car driving for the very first time
You got this thing about your babe
That made me say yes
I never want to ask why**

{pre-chorus}

**(i'm so lucky) i found you
(no one holds me) like you do
(one day i'll be the mother)
Can't wait to be that (to your child)
(all my secrets) you will know
(if it's not with you) i won't go
(can't wait to be the mother)
Can't wait to be the to your child**

{chorus}

**Catch the kiss for us (yes i will)
Buy a place for us (yes i will)
Put my life on my trust (yes i will)
All this 'cause i'm ready for love**

**Catch the kiss for us (yes i will)
Buy a place for us (yes i will)
Put my life on my trust (yes i will)
All this 'cause i'm ready for love**

{bridge}

From a little girl

I've always wished this dream come true (hey)

Wish some day that it could be for real

And all the things

I'll never had been sure what i found in you

Can't wait to give myself to you

{chorus}

Catch the kiss for us (yes i will)

Buy a place for us (yes i will)

Put my life on my trust (yes i will)

All this 'cause i'm ready for love

Catch the kiss for us (yes i will)

Buy a place for us (yes i will)

Put my life on my trust (yes i will)

All this 'cause i'm ready for love

Catch the kiss for us (yes i will)

Buy a place for us (yes i will)

Put my life on my trust (yes i will)

All this 'cause i'm ready for love

{outro}

Yes i will, yes i will

Yes i will, i really will
