

## **Dimas Senopati - So Far Away**

**{Verse 1}**

**Never feared for anything**

**Never shamed, but never free**

**A life that healed the broken heart with all that it could**

**Lived a life so endlessly**

**Saw beyond what others see**

**I tried to heal your broken heart with all that I could**

**{Pre-Chorus}**

**Will you stay?**

**Will you stay away forever?**

**{Chorus}**

**How do I live without the ones I love?**

**Time still turns the pages of the book, it's burned**

**Place and time always on my mind**

**I have so much to say, but you're so far away**

**{Verse 2}**

**Plans of what our futures hold**

**Foolish lies of growing old**

**It seems we're so invincible, the truth is so cold**

**A final song, a last request**

**A perfect chapter laid to rest**

**Now and then I try to find a place in my mind**

**{Pre-Chorus}**

**Where you can stay**

**You can stay awake forever**

**{Chorus}**

**How do I live without the ones I love?**

**Time still turns the pages of the book, it's burned  
Place and time always on my mind  
I have so much to say, but you're so far away**

**{Bridge}**

**Sleep tight I'm not afraid  
The one's that we love are here with me  
Lay away a place for me  
'Cause as soon as I'm done, I'll be on my way to live eternally**

**{Guitar Solo 1}**

**{Chorus}**

**How do I live without the ones I love?  
Time still turns the pages of the book, it's burned  
Place and time always on my mind  
And the light you left remains, but it's so hard to stay  
When I have so much to say and you're so far away**

**{Guitar Solo 2}**

**{Outro}**

**I love you, you were ready  
The pain is strong, and urges rise  
But I'll see you when He lets me  
Your pain is gone, your hands untied  
So far away  
And I need you to know  
So far away  
And I need you to, need you to know**
