

Sawyer Utah - One Last Time

**Woke up from a dream
With my heart beating fast
Wanted you to next me
What if tonight's my last
Thinking what's wrong with me
Seein' life in a flash
Oh, I can barely see
In a moment was frozen**

**Hope you know
How I wish you were around
I got nowhere that I'd rather be now
So you know it
When I'm callin' you now
I got somethin' on my mind
Somethin' different this time**

**Just hold me close to you tonight
Just like it's gon' be our last time
Yeah, I don't know what's left in life
So tell me what is on your mind**

**So tell me everything, everything
How you're feeling
And give me anything, anything
If we're leaving, oh
Hold me close to you tonight
Just like it's gonna be one last time
Yeah, yeah
(Nah-nah-ooo)
(Nah-nah-ooo)**

(Nah-nah-ooo)

(Nah-nah-nah)

Yeah

Just like that

Got me on track

Hope it doesn't happen to you

And if it does

I'll be over in two

Hope you know

That I'll make sure I'm around

I got nowhere that I'd rather be now

So you know it

When I'm callin' you now

I got somethin' on my mind

Somethin' different this time

Just hold me close to you tonight

Just like it's gon' be our last time

Yeah, I don't know what's left in life

So tell me what is on your mind

So tell me everything, everything

How you're feeling

And give me anything, anything

Yeah, yeah

(One last time, one last time)
