

# Jeanne MacDonald - Company

{Verse 1}

I'll remember you too clearly  
But I'll survive another day  
Conversations to share  
When there's no one there  
I'll imagine what you'd say

{Pre-Chorus}

I'll see you in another life now  
I'll free you in my dreams  
But when I reach across the galaxy  
I will miss your company

{Chorus}

Company  
I'll be looking for company  
Look and listen through the years  
Someday you may hear me still crying  
I'm still crying  
Crying for company

{Verse 2}

So now you're going off to live your life  
You say we'll meet each other now and then  
But we'll never be the same  
And I know I'll never have this chance again  
No, no, not like you, not like you

{Pre-Chorus}

I'll see you in another life  
I'll free you in my dreams  
But when I reach across the galaxy

**I will miss your company**

**{Chorus}**

**Company**

**I'll be looking for company**

**Look and listen through the years**

**Someday you may hear me still crying**

**I'm still crying**

**Crying for company**

**Company**

**I'm still crying for your company**
