

## **kronke - Bleed**

**{Chorus}**

**How did your heart mend so easy?**

**Mine still bleeds (Ooh-ooh)**

**Hard to believe you don't need me**

**All those memories we made are burnin' in my brain**

**And I'm stuck in yesterday, for me, it's still the same**

**Tell me how (Ooh-ooh)**

**How did your heart mend so easy?**

**Mine still bleeds**

**{Verse 1}**

**The ghost of you still floats around my room**

**It lets me know that letting go's just not the same with you**

**Now every night I lay here in this bed we made for two**

**But I'm sleepin' alone while you're out there with somebody in theirs**

**Oh, I hope that hÐµ cares**

**In the way that I did, you abandoned me here**

**I'm lost up in my head again, I'm caught inside myself**

**You promised that it wouldn't end**

**{Pre-Chorus}**

**But you let me, you let me down**

**{Chorus}**

**How did your heart mend so easy?**

**Mine still bleeds (Ooh-ooh)**

**Hard to believe you don't need me**

**All those memories we made are burnin' in my brain**

**And I'm stuck in yesterday, for me, it's still the same**

**Tell me how (Ooh-ooh)**

**How did your heart mend so easy?**

**Mine still bleeds**

**{Bridge}**

**Don't give up just because it's hard**

**Come back and heal me before I'm left scarred**

**You tell me, "We took this too far"**

**As soon as I let down my guard**

**{Verse 2}**

**When you needed it most, as you cried, I was soaked**

**Now it's weeks since we spoke, had your mom drop my clothes**

**And she tried to console me that love comes and goes**

**And there's nothing you owe me**

**{Pre-Chorus}**

**But you let me, you let me down**

**{Chorus}**

**How did your heart mend so easy?**

**Mine still bleeds (Ooh-ooh)**

**Hard to believe you don't need me**

**All those memories we made are burnin' in my brain**

**And I'm stuck in yesterday, for me, it's still the same**

**Tell me how (Ooh-ooh)**

**How did your heart mend so easy?**

**Mine still bleeds**
