

GUYLINER - SUPERSILVER

You were put down by a line on a wasted life

That you heard on a Lana track

(Uh huh)

And in that sec you saw the crack

It's time to get it back

(Oh yeah)

So you put the lip, you put the lash

Put a tune it's time to shake the ass

And when it's halfway done kill it on the dash

One rule baby puff, puff, pass

You've been acting tense

You've been under stress lately

Put your jacket on, put your jacket on baby

Take the antidote

Put your jacket on baby

Put your jacket on baby

Head to toe on fire

Feeling like on supersilver

Head to toe on fire

Feeling like on supersilver

(Head to toe on fire, feeling like on supersilver)

(Here we go, it's)

Come down to the wire

Love a man who's into pleasure

(Into pleasure, inner pleasure)

(Are you into pleasure?)

Head to toe on fire

**Feeling like on supersilver
Supersilver
(Guyliner, Guyliner, Guyline-)**

**Take a hot girl pic, post it on the gram
And hide it from your aunt
They get so sad, jelly bitches mad
See you serving this much cunt**

**So you wear the red and roll the green
Feel the scene, take it in, don't get much better
Feel the fire, get you higher
New designer, come on girl don't knock it, cuz**

**You've been acting tense
You've been under stress lately
Put your jacket on, put your jacket on baby**

**Take the antidote
Put your jacket on baby
Put your jacket on put your jacket on baby**

**Head to toe on fire
Feeling like on supersilver
Head to toe on fire
Feeling like on supersilver
Come down to the wire
Love a man who's into pleasure
(Who's into pleasure, inner pleasure)
(Into pleasure, ha)
Head to toe on fire
Feeling like on supersilver
Supersilver**
