{VERSE}

Just to be honest yeah I really love this
Summer days is something for the public
I'm talking money and women
Yeah My favorite subject
We gonna do what it does
While they do what it doesn't, uh
This a jam for my brothers and sisters
Kicking back on Sunday having drinks getting twisted

Roll another one up dawg we bout to get lifted
I'm telling you right now this is my summer spirit
Feeling gifted with my folks around
Every body on your side of town

Put your hands up
If you've been holding it down

Turn it up when you hear this sound
Summer time gonna be real wild

{BRIDGE: Sean O'hara}

I don't wanna wait
I don't wanna wait no more
I don't wanna wait
I don't wanna wait no more

{Chorus}

Come and slide on the southern side
You and I on a summer night
Feeling like everything is gonna be alright
Yes it'll be alright
Summer days turn to summer nights
Summer time baby we just loving life
Summer days turn to summer nights
Summer time baby we just loving life
