

## **ONB - Throttle**

**{PREChorus}**

**Take a ride take a ride with me  
Making love baby fly in the sky with me  
In my heart where you'll always be  
Now let's make a move and come and hit these streets, aye**

**{Chorus}**

**Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried â€™bout tomorrow, tomorrow**

**Baby come and take ride with me  
Got my foot on the throttle, on thÐµ throttle  
Every time that wÐµ're together  
Never worried â€™bout tomorrow, tomorrow**

**{VERSE}**

**When we in this whip yeah we coasting  
In the seat next to me damn she gorgeous  
My lady so sexy she important  
We ain't in a Ford but she so focused**

**My girl love the way that I be spitting  
On that dope shit yeah it's the way I be living  
Whipping and dipping she love the way she been feeling  
We on the south side getting all the attention  
Young lady sitting pretty she my ride or die  
Never paid a hater or a player any mind  
And she do this every time when we gonna slide  
Baby hit me up when you down to ride**

And I know it's been a min since we last kicked it  
In my eyes you're lovely vision  
And I need a visit  
You got me on lock like I'm in the prison  
Baby I just wanna come you the business

{PREChorus}

Take a ride take a ride with me  
Making love baby fly in the sky with me  
In my heart where you'll always be  
Now let's make a move and come and hit these streets, aye

{Chorus}

Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried â€™bout tomorrow, tomorrow

Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried â€™bout tomorrow, tomorrow

{VERSE}

Come and ride on that I-35  
We getting love yeah  
They repping every other side  
From the east to west  
Then the south to the north  
We put em on with your favorite song, yeah

And we all in the O  
Vibing on that Coast To Coast

**Leave these haters looking mad  
Cuz we getting ghost**

**Nobody need to see us  
When we doing the most  
You the reason I be feening baby  
And I'll let you know**

**Yes I need it baby  
Come and see the shady  
580 in the place trying really make it  
I seen where you at  
And you need to shake it  
Come take a trip with the greatest (aye)**

**Making love in the sky when we float in the ride  
You the reason I been loving life (yeah)  
Making love in the sky when we float in the ride  
You the reason I been loving life (aye)**

**{PREChorus}**

**Take a ride take a ride with me  
Making love baby fly in the sky with me  
In my heart where you'll always be  
Now let's make a move and come and hit these streets, aye**

**{Chorus}**

**Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried â€™bout tomorrow, tomorrow**

**Baby come and take ride with me  
Got my foot on the throttle, on the throttle**

**Every time that we're together  
Never worried 'bout tomorrow, tomorrow**

**{OUTRO}**

**Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried 'bout tomorrow, tomorrow**

**Baby come and take ride with me  
Got my foot on the throttle, on the throttle  
Every time that we're together  
Never worried 'bout tomorrow, tomorrow**
