

Staggy - GO AT IT

{Verse 1: Staggy}

**Cartier it's on the frames you see me stepping out the limousine
I blocked it out I guess I'm getting used to women's screams
We fogging up the whip until the fucking windows green
I'm fucking whipping that 160 bitch I got a V6
Tripping on my name like this bitch got a reason
Opens gon' stay open lil' bro you can keep it
Downers with the uppers bitch I'm off the deep end
Lil bro snapped yo' bitch and now she got him cheesin'
I need a pint and some good Actavis
Or I need to buy me some good wine to get active with
Thought that you could find a brand new dime but I been had the bitch
This shit get me high but you still high I got a pack of it**

{Chorus: Staggy}

**Go at it
Go at it
Go at it
Go at it
Go at it
Go at it
Go at it
Go at it**

{Verse 2: selkouni}

**I'ma go at it got her acting asthmatic
I'm a codeine addict
{?} Staggy lyin'
Hella lines of fine wine got me actin' outta line
Purple lines on Wocky time
Lucid dreamin' my whole life**

I'ma slow down

Then I'll bring it right back

On a tour now

Girl your {?}

'Cause I be in the gym pull up in it like the Wraith with Staggy and the clique

{Verse3: Staggy}

Thought he snuck one on me pussy you not getting by

The chop is wet point it at him and I let it dry

Pour another two

Sliding by your house and now they pourin' one out for you
