

Words of Life - Shift My Gaze

**You don't know me
You can't control me
You mistake me, You can hate me
But You can't break me**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**Though You'd chain me
He won't forsake me
His blood washed me
And now I'm free**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**Though You'd chain me
He won't forsake me
His blood washed me
And now I'm free
Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**This former offender
Living in full surrender**

**My sins erased
Never to remember**

**Spirit of the living God
Baptize me, with fire
Change my heart
And every desire**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I am a son
Of the risen one**

{Interlude}

**This former offender
Living in full surrender
My sins erased
Never to remember
Spirit of the living God
Baptize me with fire
Change my heart
And every desire**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**This former offender
Living in full surrender
My sins erased
Never to remember**

**Spirit of the living God
Baptize me, with fire
Change my heart
And every desire**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**You don't know me
You can't control me
You mistake me, You can hate me
But You can't break me**

Oh the living God

{Bridge}

**Spirit of the living God
Baptize me with fire
Change my heart
And every desire**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**

**Though You'd chain me
He won't forsake me
His blood washed me
And now I'm free**

{Outro}

**Then I shift my gaze higher
To Jesus, great Messiah
Because I, am a son
Of the risen one**
