

Pulsarr - Money Team

{intro}

Pulsar

The fuck

Oh yea

Yea yea

Yea

{chorus}

I'm with the money team

Pop the racks in with the green

I got a brand new beam

Bitch i'm the glock king

Nigga talking out his top

We gone clear the whole scene

I'm married to the fucking money

And i don't even have to buy a ring

{verse}

Riding on the e-way

Baby screaming fuck the cop

I'm with your bitch having my way

And she loving on this cock

And i ain't leaving the house until i got my chop

You lying straight to my face

But i ain't with the scream and shout

I ain't here for the bullshit i don't want no clout

All i want is that bread then a nigga dipping out

{chorus}
