

## **Jaden - First Time**

**{hook}**

**Is it butterflies for the first time?**

**First time, first time**

**I feel like i can fly for the first time**

**First time, first time**

**It's the first time that i try to read your mind**

**And you've heard mine**

**And this love will be sadder than when the birds cry**

**And i think that it's great but is it worth dying for?**

**{verse 1}**

**Girl this love hurts**

**And you were my first**

**And deep down inside i hope you're my last one**

**I just hope that we're ok when all of this cash comes**

**Cause we know it's coming**

**My money's runnin (runnin)**

**My money's runnin (runnin)**

**Girl our future is as sunny**

**Girl i really like it, you ain't askin nothing from me**

**And it's funny**

**Baby won't you just come here and be my honey (be my honey baby)**

**Baby you drivin me crazy**

**Making me so hot when you roll up in that 'cedes**

**Girl you are so fine, blow me back into the 80's**

**And i like your dirty dancing, let me be your patrick swayze (patrick swayze)**

**Girl you're pretty as a daisy**

**You be my beyonce and i be your jay-z**

**I can be your wolf girl, you can be my haley**

**And i asked you why you runnin'**

**You said just so you can chase me**

**And let's have a good time**

**{hook}**

**Is it butterflies for the first time?**

**First time, first time**

**I feel like i can fly for the first time**

**First time, first time**

**It's the first time that i try to read your mind**

**And you've heard mine**

**And this love will be sadder than when the birds cry**

**And i think that it's great but is it worth dying for? is it?**

**{verse 2}**

**Is it?**

**It doesn't make a difference to me girl so just listen**

**Cause this is something that you get in your dreams girl**

**You're so pretty**

**I'm hanging with you but i'm so busy**

**And it's so trippy**

**That were moving so fast in such a slow city**

**But you said baby lay me down**

**I don't even know when this is crazy wild**

**This love was hot and now you about to take me down**

**You got some secrets well baby girl you should say them now**

**Cause the sun is setting on the beach**

**And it's probly gon' get chilly**

**Well, good thing i brought some sheets**

**Baby girl you are so pretty, i don't think we'll ever leave**

**I don't know what's gonna happen**

**Guess we'll have to wait and see**

**Cause i got them butterflies**

**{hook}**

**Is it butterflies for the first time?**

**First time, first time**

**I feel like i can fly for the first time**

**First time, first time**

**It's the first time that i try to read your mind**

**And you've heard mine**

**And this love will be sadder than when the birds cry**

**And i think that it's great but is it worth dying for? no**

**{verse 3}**

**What is pure?**

**People walk around so insecure**

**Fraid that you said the word it, it hurts**

**As soon as you had your first it's like you bearing a curse**

**But girl i'll protect you**

**I'm always next to you girl**

**I respect you**

**I'll never let you loose no**

**Girl i'll never let you**

**If you run away best believe i'mma come get you**

**Girl i bring you love ever since i met you**

**I remember you were sneezing**

**You said achu i said bless you**

**I'll just get you, uhh**

**Girl, and i know you get me**

**Ever since you met me**

**All those texts you sent me**

**Wasn't lookin for love, just lookin for someone friendly**

**And i got it, i was younger**

**I was asking for a bentley and i got it**

**Now we're vibin super sexy**

**And she's textin while we drivin**

**Want some ti\$a, want some gucci**

**Want some fendi then we got it**

**{hook}**

**Is it butterflies for the first time?**

**First time, first time**

**I feel like i can fly for the first time**

**First time, first time**

**It's the first time that i try to read your mind**

**And you've heard mine**

**And this love will be sadder than when the birds cry**

**And i think that it's great but is it worth dying for?**
