

SkAeLi BeAsT - RACCOON FREESTYLE

Intro : zocci coke dope & baphelele

"my advice is, is mmh if you know you got it and you really feel like okay you good at something, my first step would be ; stop with the parties, stop with the girls ,stop with whatever you feel like is consuming most of your time, because to get good you have to put in a thousand hours "

C-bandz records

Energy:

I got clones nigga got a lot of mini me's

All the friends i have now they be frenimies

We go way back nigga im talking centuries

You my foe now r.i.p the memories

Cj by my side and we banging the streets

Fuck your candy thoughts man why you think i was sweet

Its like the sun with me , i'd be bringing the heat

Yeah im from the south and i made her go south

Your bitch is my bitch she be fucking me too

2207 my, i'd be repping it too

You got one freaky hoe but i got two

They got big titties small waist and big butts too

You not a real nigga we both know that's true

I'm not a fake nigga we both know that's true

I like my eyes red and the fuckin sky blue

Redbat nigga and its fuckin brandnew

Can't rap with you nigga i hate you

I'm true to myself you can ask my crew

I stopped smoking weed but still i'm cool

You broke and you stupid, you a poor fool

Fuck outta here nigga

0 to 100:

Ayy ayy ayyy

On the road to riches all i see is green lights
Ain't tryna stop my foot is glued to the clutch
Dreams of me fuckin bad bitches like minaj
That's a joke i want a fleet of lambos in my 'rage
You dont have to zoom her ba-zoom is very large
Bbw her ba-zoom is very large
All these labels wack nigga sign to c-bandz
How you get a dollar then you switch on your friends
You dont fuck no bitches you a peep tom
You ain't fly thats a lie you a penguin
You a pessimist nigga im a sanguine
Im a debonair nigga no pizza
Im a top dawg , tiffith should sign me
I make g.o.o.d music kanye should sign me
I want tall racks dave should sign me
Dont forget to get drake to cosign me
Smoking weed from china yeah yeah check my eyes
Time like a falcon yeah yeah damn it flies
Rap and school yeah yeah had to maximise
Flexing in the gym yeah im tryna exercise
Im the one and all you niggas two three four
Rappers they be outta here playing tic tac toe
Eagle ea-ea-eayed nigga like im shane
My drank a thief da-da-damn it stillpayne
The catch up :
Ayy, yeah, fuck all you broke and wack and niggas i mean you dont even have
three figures
You are poser and and all your bitches are golddiggers
They got pendulous bazooms, the pussy loose i insert all my five fingers
And tell sway im grown now i can kill the five fingers
Everytime i drink i never black out dawg
Not a wuss nigga i drink milk stout dawg
Word to my dreams they will crop out dawg

And im feeling myself im the best out dawg
My ex didn't love the way i loved her so i told her to shoo dawg
And im with your bitch now we about to make out dawg
Fuck her from the blindside so i tell her that ass better poke out bitch
I don't trust shit not even when i use a rubber i still gotta pull out bitch
And we dont snug when we done i tell her show yourself out bitch
Dont be wack in this game you must shape up or ship out bitch ayy
I got piles thats why im a stand-up nigga
Angigcini lapho everything i do stand out nigga
Gimme the beat and i make it pop off nigga
We some pisseheads, we pull up at church while pissed as a parrot and piss t
he pope off nigga
Yeah yeah call me loco nigga
Cause i can turn your adam's apple to an iphone logo nigga
The weight on my shoulders is heavy like a thomas inch dumbbell i can't sle
ep at night
On my knees asking god "what the hell is life?"
People say life's a bitch and they prolly right
Seeing niggas ?? the blunt a relapse i might
But fuck it i put all these beats in a hearse i'm on a killing spree
I rap in vernac and slang like pro nigga im a kasi mc
I'm such a nomadic nigga i make your chick swallow my d then i cum and i flee
I mean ,, what you take me for? skaeli beast is a g nigga
This is just a throwaway gene6ix on the way nigga
