Logy1 - Wonderland

|Chorus|

Wonderland, by setting all my trends (all my trends)

How to spend? Bringing a list of all my plans (all my plans)

I have a clan with a process at the end (press at the end)

It's a plan, when stepping future brand

|Verse|

Have a joke, when annoyed can be rude. I said for woah
I can get it back when stepping in the future, go
Last word gets my niggas back when the cameras roll (roll)
Fuck with the role (role), I can tell you bro (woah)
Freemasons are back without time you can get them all back
Tend to know when you hate all my jackets all fake (fake)
I don't know what is track. I just want to stream the track
I want to look back, attention pay respect

I can change my time to make one sea like see Niggas dying wanna try to make a price on V Red turquoise color when you get Zinc money Pay to process, make one progress, E-money

|Chorus|

Wonderland, by setting all my trends (all my trends)

How to spend? Bringing a list of all my plans (all my plans)

I have a clan with a process at the end (press at the end)

It's a plan, when stepping future brand (future brand)

Wonderland, by setting all my trends (all my trends)

How to spend? Bringing a list of all my plans (all my plans)

I have a clan with a process at the end (press at the end)

It's a plan, when stepping future brand (future brand)
