

Sacri - Not Sure

|Chorus|

**I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure
I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure**

|Verse 1|

**I talk a lotta big game
But in reality I'm pretty lame
Was it my upbringing to blame
Hoping that maybe [?] cheap fame**

|Chorus|

**I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure
I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure**

|Verse 2|

**This is who I am
Mary had a little lamb
But I don't know who I
Hope you [?] like me
But just [?] me
But is this really me?
I guess I'll have to see
I don't understand
I was a simple man
Maybe it wasn't my plan
To be someone**

|Bridge|

**I'm stuck for years
It goes through my ears
All of my worst fears
Suddenly disappears**

**I'm a man
I'm a man but I'm not really sure**

[Chorus]

**I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure
I'm a man of my word, I'm a man of my word
I'm a man of my word but I'm not really sure**
