**London Bridge is falling down
And I witnessed all those people drown
Rock-a-bye baby on the treetop
But then the cradle began to drop**

**Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall
The doctors couldn't save his life
So Humpty Dumpty went to the afterlife**

**All these nursery rhymes
Came from such dark times
I didn't know the Muffin Man
But now I know I do
Because I saw him try to lure me in
With some delicious food**

**All these nursery rhymes
Came from such dark times
All these nursery rhymes
Came from such dark times**

**Five little monkeys jumping on the bed
One fell off and cracked open his skull
Mama called the doctor but his schedule was full
Never again would the monkey family be whole**

**Jack and Jill climbed up the hill
But the water they gathered began to spill
They tumbled down, down to the ground
And after that Jack and Jill were never around**

**All these nursery rhymes
Came from such dark times
All these nursery rhymes
Came from such dark times**
