

Sacri - don't touch the bacon

|Chorus|

You can eat eggs all of the time

But don't touch the bacon

That bacon is mine

If you want sausage

Then that's just fine

But don't touch the bacon

That bacon is mine

You can eat eggs all of the time

But don't touch the bacon

That bacon is mine

If you want sausage

Then that's just fine

But don't touch the bacon

That bacon is mine

You can eat eggs all of the time

But don't touch the bacon

That bacon is mine

If you want sausage

Then that's just fine

But don't touch the bacon

That bacon is mine

|Verse|

I really like my breakfast full

Without bacon no it's so dull

Sent into the big bacon hole

Bacon's the window to my soul

And if I were to die I would have bacon

**And if I were to lie I would have bacon
And if I were to fly I would have bacon
And if I were to live**

**I feel bacon in my soul
I feel bacon in my soul
I feel bacon in my soul
I feel bacon in my soul**

**I feel bacon in my soul
I feel bacon in my soul
I feel bacon in my soul
I feel bacon in my soul**

[Chorus]

**You can eat eggs all of the time
But don't touch the bacon
That bacon is mine
If you want sausage
Then that's just fine
But don't touch the bacon
That bacon is mine**

**You can eat eggs all of the time
But don't touch the bacon
That bacon is mine
If you want sausage
Then that's just fine
But don't touch the bacon
That bacon is mine**

**You can eat eggs all of the time
But don't touch the bacon
That bacon is mine**

**If you want sausage
Then that's just fine
But don't touch the bacon
That bacon is mine**

|Bridge|

**I'm on that bacon grind
Oh yeah, that bacon is mine
It goes and breaks my mind
That bacon is mine
If you want sausage
Then that's just fine
But don't touch the bacon
No, that's mine
You can eat eggs all of the time
But don't touch the bacon
That bacon is mine**

|Chorus|

**You can eat eggs all of the time
But don't touch the bacon
That bacon is mine
If you want sausage
Then that's just fine
But don't touch the bacon
That bacon is mine**
