

Sacri - The Big Chungus Anthem

[Chorus]

Big, Big Chungus

Big Chungus, Big Chungus

I witnessed him give little children heart truncus

Big, Big Chungus

Big Chungus, Big Chungus

He enters your mind like a horrible fungus

[Verse 1]

Stuck in 2018

The Chungus was seen

Nothing like the meme

He's escaped out of your home screen

He's here

He's real

Your soul, the Big Chungus will steal

[Chorus]

Big, Big Chungus

Big Chungus, Big Chungus

I witnessed him give little

Children heart truncus

Big, Big Chungus

Big Chungus, Big Chungus

He enters your mind like

A horrible fungus

[Outro]

He's real

He's real

I've seen him in my dreams

And now he screams
