

Sacri - square1

What's this life gonna be about?

Open the doc and pour me out

Thought I could write up someone new

But I didn't think I could write up you

Coal says this and Ball says that

Turn into a plutocrat

Stop the show I need to go

The pacing in this is way too slow

I don't want to

I don't want to

I don't want to

Disappoint all of you

I don't want to

I don't want to

I don't want to

Disappoint all of you

Back to square one

We were here before

Back to square one

On the drawing board

Back to square one

We were here before

Back to square one

On the drawing board

I don't want to

I don't want to

I don't want to

Disappoint all of you
