{intro}

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone

(yo, silo killed this)

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone

{chorus}

Maybe if i was there, we could be anywhere (for you)

And its not you and me, and we are meant to be

Maybe if i was there, we could be anywhere (for you)

And its not you and me, and we are meant to be

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone

Maybe if i was there, we could be anywhere (for you)

And its not you and me, and we are meant to be

Maybe if i was there, we could be anywhere (for you)

And its not you and me, and we are meant to be

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone

{bridge}

Girl we walking through the night, see the city lights

Baby it's you and me and i don't wanna have a fight

It's hard to see it through, i do not know my wrong from right

I'm sorry bout that shit but i just wanna make it right

{outro}

And i just like don't know where you are or i am

And i just like don't know if its pm or its am

And i don't know if your feeling me or not

And i don't know if you'll see me when i'm gone
