

Key Notez - Key To My Heart

Verse : Baby don't be shy (be shy)

I know what is right (is right)

Yes I think I do (do)

You're the one for me (me)

And i'm the one for you (you)

Pre Chorus :

You've got the key to my heart yeah you do (you do)

Don't listen to your friends they don't know how to choose (to choose)

They all up in my business tryna see just what I do (I do)

But I ain't like these new school kids I treat you like old school

Chorus:

Love (yeah yeah)

You've got the key to my heart (my heart)

No one can tear us apart (no)

Even though they try (5x)

Love (ughh yeah)

You've got the key to my heart (my heart)

No one can tear us apart (no)

Even though they try (5x)

Verse:

Let em talk I don't hear them (no)

Let em talk I don't fear them

No no no no

They just wanna be apart

Cus we're going so far

Pre Chorus :

You've got the key to my heart yeah you do (you do)

Don't listen to your friends they don't know how to choose (to choose)

They all up in my business tryna see just what I do (I do)

But I ain't like these new school kids I treat you like old school

Chorus:

Love (yeah yeah)

You've got the key to my heart (my heart)

No one can tear us apart (no)

Even though they try (5x)

Love (ughh yeah)

You've got the key to my heart (my heart)

No one can tear us apart (no)

Even though they try (5x)
