

## **Panama - It's Not Over**

**You say it used to be different, mmm mhm mhm  
I know it's safe but won't you take me home  
You know it could have been different, mmm mhm mhm  
You say you wish that it was over  
Oh, oh, ooh, oh, oh, ooh  
Oh, oh, ooh, oh, oh, ooh**

**You hope it would have been different, mmm mhm mhm  
Now you thinking about a brand new start  
You say there won't be another chance, mmm mhm mhm  
Now you're on your own, on the subway home  
And there's a party going on somewhere near tonight  
You say you wish you were younger, so you can make mistakes again  
{Chorus} x 2  
Oh, oh, ooh, oh, oh, ooh  
It's not over  
Oh, oh, ooh, oh, oh, ooh  
It's not over, till it's over**

**And dots connected, our hearts redirected  
I've done all I can, all I can  
I cannot correct this  
And it's strange to walk the corridors again  
I know it's never going to ever change**

**{Chorus} x 2  
Oh, oh, ooh, oh, oh, ooh  
It's not over  
Oh, oh, ooh, oh, oh, ooh  
It's not over, till it's over**

**I cannot correct this**
