

Foxfredo - Cunning Like A Fox

**She got the bomb
When she put on the thong
Ass jiggle with every step when she gone
100on my wrist
Whatchu gonna do
When I pull up with the Lamborghini to
Cunning like a fox
And the bitches know**

**Winner winner chicken dinner
Way too fresh, and way too leaner
I'm a big dog you can call me Roman
Superman punch put you in a coma
Winner winner
Chicken dinner
Way too fresh
Way too leaner
I'm a big dog you can call me Roman
Superman punch put you in a coma
Tinny figure
Big demeanor
Weed dealer, I got that tittie fevÐµr
Best believÐµ it
Yeah
Im a need it
The way she busts it down dollars on her waist**

Yeah That's right I'm Cunning like a fox
Got all you bitches all over me wanna ride my dick
Whole a lot of money
Got the panties socked
Feeling myself made it to the semi top
All the niggas know I'm always aiming for the top
Got shawty's with me from the morning to the dawn
Always got the bread to buy designer drip
Credit cards never really go declined
All my shawty's always shopped till they drop
Fly on private jets cause I'm just a humble nigga
Whole lot of flexing for things that are just on the way
Yeah gotta give myself a reality check**
