

## Huntaps - GAS

**[Chorus]**

**I turn this shit up loud but not as loud as my gas (Oouu)**

**I turn your shit down cause your music really some trash (Oouu)**

**I'm smoking gas, you smoking stems**

**I'm smoking gas, you smoking mid**

**I smoke that Jenny, you smoke that Reggie**

**I'm smoking on runtz, you smoking on veggies**

**I just hit up Lume with Rei\$ we only chiefting the finest (Gas)**

**Told my bro to roll me a blunt, he rolling pearls, he rolling diamonds (Gas)**

**Hotbox the whip in the backyard I can't even open my eyelids (Gas)**

**Might just go out to the west and whip the Tesla, helping the climate (Electric)**

**Might just go make a few bangers all of my homies saying "that's gas"**

**Might just pull up to the rager, everclear jungle juice yeah that's gas**

**Might just pull up on Marcha he taught me the real definition of gas**

**Might just fly outta of the state and when I do I may never come back**

**Bitch, you will never see me again you tried to finesse but you ain't got it like that**

**Yeah, you can talk all you want about me and my crew but you still don't got it like that (Nope)**

**I turn this shit up loud but not as loud as my gas (Oouu)**

**I turn your shit down cause your music really some trash (Oouu)**

**I'm smoking gas, you smoking stems**

**I'm smoking gas, you smoking mid**

**I smoke that Jenny, you smoke that Reggie**

**I'm smoking on runtz, you smoking on veggies**

**Gas pack (Woo, yeah, yeah)**

**Gas pack (Yeah)**

**Gas pack (Woo, ay)**

**Gas pack (Ay)**

**Gas pack (Ay, ay, ay)**

**Gas pack (Ay)**

**Gas pack (Ay, ay, ay)**

**Gas pack (Let's go)**

**|Verse|**

**Hahahahaha (That shit's funny)**

**I'm laughing at you right in your face, you's a total clown (Lil bitch)**

**Thought I wouldn't see through all your bullshit and figure you out? (Lil bitch)**

**Only reason hate getting high cause I'ma see who gon stick around (On god)**

**Don't try me like that at the crib when I got my bitches in the house (On god)**

**Cause you gon see a side of me that you don't wanna see come out (Haaa)**

**That's my demon talking, I try to keep it cordial even with my opps (Tell 'em)**

**But when you start dissing Huntaps that's when I'll start sending shots (Te  
ll 'em)**

**That's when I'll start popping off (Tell 'em)**

**You don't wanna see me pissed off (Tell 'em)**

**Not tryna drop your name in a song**

**Cause you not like that, you stay moving wrong (You so corny)**

**|Chorus|**

**I turn this shit up loud but not as loud as my gas (Way too loud)**

**I turn your shit down cause your music really some trash**

**I'm smoking gas, you smoking stems**

**I'm smoking gas, you smoking mid**

**I smoke that Jenny, you smoke that Reggie**

**I'm smoking on runtz, you smoking on veggies**

**I just hit up Lume with Rei\$ we only chiefting the finest (Dispensary)**

**Told my bro to roll me a blunt, he rolling pearls, he rolling diamonds (Ay)**

**Hotbox the whip, in the backyard I can't even open my eyelids (Damn)**

**Might just go out to the west and whip the Tesla, helping the climate (Skrrtt)**

**Might just go make a few bangers all of my homies saying "that's gas" (Woo!)**

**Might just pull up to the rager, everclear jungle juice yeah that's gas**

**Might just pull up on Marcha he taught me the real definition of gas**

**Might just fly outta of the state and when I do I may never come back**

**Bitch, you will never see me again you tried to finesse but you ain't got i**

**t like that**

**Yeah, you can talk all you want about me and my crew but you still don't go  
t it like that (Nope)**

**I turn this shit up loud but not as loud as my gas (On god)**

**I turn your shit down cause your music really some trash (That shit sucks)**

**I'm smoking gas, you smoking stems**

**I'm smoking gas, you smoking mid**

**I smoke that Jenny, you smoke that Reggie**

**I'm smoking on runtz, you smoking on veggies**

**Gas pack (Hey, hey)**

**Gas pack (Yuh)**

**Gas pack (Hey, hey)**

**Gas pack (Yuh)**

**Gas pack (Ay, hey, ay)**

**Gas pack (Yuh)**

**Gas pack (Ay, huh, what)**

**Gas pack**
