

Sewerperson - Funny how

20 man army inside of tjs

U would think it was a birthday

Thing is with me and my guys we hit em up and then blame his last post

We shook him like we did silo

Shiesty on top of my shooter he white I think he getting cancelled

Uh uh

I pour Deuces inside my Fanta

Plug got juice like tropicana

She can't do no downers

She on snow like she a crazy carpet

I will not quell these fights u started

Blowing that mush till im retarded

Blowing that Kush I think they think I farted

Uh Uh uh

White bitch

On my

Dick

Im pipin

Boyfriend

Messed me round 9 like pull up I said

Alright thĐun

My boys

Violent

U not from here I guĐuss

This steel will give u tetnis

Move back

Doing up errands that lil boy been said he'd come thru

Gurk that boy and tell them bout that is not a business move

Nike trainers with the tec fleece all up on my gooch

Beast in the east

My station like 15 minutes

To the west of the greez
But bare of my boys been wicked
Tension arise they kill it
U birthed from me I still it
U had not learned the ways
Fuck it up once we pill him
Cooperate with me
I am not the enemy
U thought shit was sweet
Till im rolling up my sleeves
When im in my baggy
Who else would I need
U think u been fearce
But u baby food to me
