

Gentleman - Mad World

{Intro}

**All around me are familiar faces
Worn out places, worn out faces
Bright and early for the daily races
Going nowhere, going nowhere**

{Verse 1}

**We living in a mad world
Look how much times they try to get us out
It must be a sad world
Everytime we go good, they come with a lot of doubt
God gave us life after all
Can't wait to tear down these fences and these negative walls
Some a rise, some a fall
They will never get it until it'll be thĐµ final call**

{Pre-Chorus}

**Keep on fighting war for money
Time and time again
ThĐµy destroy the bees and honey
It's a very, very**

{Chorus}

**Mad world
It's such a mad, mad world we are living in
Mad world
Is it the end or is it the beginning?
Mad world
It's such a mad, mad world we are living in
Mad world
Is it the end or is it the beginning?**

{Verse 2}

Wish we could change them mentality

I'm sure mama earth would be saved from the wrath of man

With all dem wars and brutality

Couldn't be the father, it must be the devil's plan

And while the people a bawl

You take away their space and putting up your expensive mall

Your skyscraper so tall

But just like the tower of babylon it bound to fall

{Pre-Chorus}

Keep on fighting war for money

Time and time again

They destroy the bees and honey

It's a very, very

{Chorus}

Mad world

It's such a mad, mad world we are living in

Mad world

Is it the end or is it the beginning?

Mad world

It's such a mad, mad world we are living in

Mad world

Is it the end or is it the beginning?

{Outro}

Is it the end or is it the beginning?
