Adamariz - VOID

{hook: karely vazquez}

The thing with making someone your peace

Is once they leave

You won't feel a thing

And you'll look out to the world

Just to fill a void

And you'll look out to the world

Just to fill a void

{verse 1: adamariz}

That could've been avoided by looking to the king

Frank said it was the start of nothing

Maybe i'm just bluffing

When i'm out in public, i need somebody

When i'm all alone, i scroll through my phone

No one to call, i need somebody

So i start praying

God it's me again, you'll never believe what just happened

Oh wait, you saw it all go down

And now , i don't know what to do

Please help me, i don't wanna be a fool

That's why i came to you

Why don't you speak to me

Answer me

Tell mÐµ what i need to do

Tell me who i am to you

Tell mÐµ i'm enough

Cause i don't hear it enough

And i'm at the end of my rope

And i think that i'm done

Please help me

Please fix my broken heart

I read it in proverbs that you could

But i'm wondering why you would

When i'm the one who did this to myself

Tryna brush it off by saying i'm misunderstood

The thing with making someone your peace

Is once they leave

You won't feel a thing

And you'll look out to the world

Just to fill a void

And you'll look out to the world

Just to fill a void

{verse 2: adamariz}

I-

I need you like i need air

But i can't see you

I need you like a heartbeat

But i can't feel you

They tell me to read more

But i can't hear you

They tell me that it'll all be fine

But i don't feel good

God i ask one more time

Please help me

Before i end up like before

My soul leaving my body empty

Give me life everlasting

Maybe i'll unlock it by fasting

If i quit the napping, over snacking

Open the bible

Because if you gon' preach, you best practice what you speak

C'est la vie, i'm breaking from free

From the chains of katy

Yeah

I'm breaking from free

From the chains of katy

Yeah
