Man, it's adamariz

Lemme tell y'all some bout Heaven's Gates man

Nah, man I'm just kidding

But I'm walking in faith, ya know

Yeah, walkin', walkin', walkin', walkin' in faith

Walkin' in faith

Yeah, I'm walkin' in faith

Yeah, ay

{Pre Hook}

I'm walking in faith

That we gon see better days

Maybe not in this place

But at heavens gate

{Hook}

Heaven's gate

Heaven's gate

Heaven's gate

Heaven's gate

Heaven's gate

{Verse 1}

They say pressure creates diamonds

Wondering when it's my time to shine then

Felt lost, was constantly finding

Reasons to leave my surroundings

Then I realized

God ain't create me to be mediocre
To act like a poser
From the church I'm seeking closure
But it seems the closer we get
I'm foldin', because everyone's a phony
Ion mean that in a bad way
I'm just sayin', w-w-watch what you preach
H-h-h-how you speak
Before you go and bash peeps
Y'all talking about edifying your house
But don't even fact check
What be coming out your mouth
They don't even know
What I be doin now
Cause some people ask for too much
And others don't communicate enough

And I had to stop living in shame
Verses that I'm reading
Gave me a reason to keep on breathing
Gave me a purpose
Gave me the clarity to keep on searching
My dreams will come true
Cause God gon' come through
I've seen it before
And He'll do it once more
Yeah, and He'll do it once more
And He'll do it once more, ay

{Pre Hook}

I'm walking in faith that we gon' see better days
Maybe not in this place
But at heaven's gate

{Hook}

Heaven's gate

But at heaven's gate

{Verse 2}

Ay

I don't look at my stats to brag

I look so that I can thank my dad

The heavenly one

Not the one in this land

Cause that man abandoned me

But God never has

{Outro}

Cause that man abandoned me

But God never has

God never has

Cause that man abandoned me

But God never has

God never has
