

Bing Crosby - Silent Night

{Verse: Bing Crosby & Chorus}

Silent night, holy night

All is calm, all is bright (Ooo)

Round yon virgin, mother and child

Holy infant so tender and mild

Sleep in heavenly peace, sleep in heavenly peace (Ooo)

Silent night, holy night (Ooo)

All is calm, all is bright (Ooo)

Round yon virgin, mother and child (Ooo)

Holy infant so tender and mild (Ooo)

Sleep in heavenly peace, sleep in heavenly peace (Ooo)
