

Pureojuice - Charge it

See I

Just took an L

If I don't laugh, I'll cry so I had to charge it

"We move" is the old one now, 2022, now it's "charge it"

Got depression, charge it

The UK recession, charge it

She didn't reply, said her battery died

She was too busy holding wood to charge it (Charge it tho)

University debt, and you work minimum wage

You just got stabbed, charge it

You're broke, charge it

Your family dies, charge it

You just got robbed for your brother

You haven't paid the plug, charge it

Nah fuck that, man can't charge it

I jump in then I discharge it
