

## **Panama - Always**

**{Intro}**

**Always, I remember you**

**Slow down, so I can follow you**

**{Verse 1}**

**And you, such a fearless soul**

**Disarmed me by truth and broke my mold**

**{Chorus}**

**Always, I'll remember you**

**Slow down, and try to tell the truth**

**{Verse 2}**

**And I know**

**I'm just a coward when it comes to love**

**Disarmed by words like an old wife's tale**

**Goodbye, my deeper child**

**It's time to take down your barricades**

**And follow your own path now**

**{Chorus}**

**Always, I remember you**

**Slow down, and try to tell the truth**

**Always, I can recall you**

**Can you slow down so I can follow you?**

**{Outro}**

**Deep down, you said I'm a coward**

**When it comes to love**

**Deep down, your words changed my mold**

**Deep down, you said I'm a coward**

**When it comes to love**

**Take down your barricades and changed my mold**  
**(Always, always)**
