

Kanye West - I Miss

|Hook: Kanye West|

**Your the one i miss and see
Your the one everybody wanna be
I need you in my life right now
I wanna scream and say how
Let me go
Singing from my head to my toes
I can't control no ho
Got the glow and the dark
Its gonna blow
Drop to the flo
Cause your the one i miss
I Miss, I Miss, I Miss**

|Verse 1: Chance The Rapper|

**Damm somebody needs a kiss
Better leave me alone no calls on my phone
Can't trust you niggas
Can't trust im the bigger picture
And i be dancing on yo ho
Haters be getting fame everyday
I knew i couldn't trust those niggas anyway
Gotta get the same flamĐµ
Gotta go fast, Blaze
Go fast, Page
Let out thĐµ**
