I move with God, I do trust  
I gĐut too caught with my life  
I go so hard, I'm grinding  
I cultivate my life that's right girl  
I put my prize on the line girl  
Life is deep, I live a lie to tell the truth  
I gotta cry  
Deep poetry will always tell a story  
You can't live as a joke  
They'll tell a tale to impose  
I can't live to lose  
I get my weed & I gas it up  
I'm trying to fuck her alright, mxm
