

Fall Out Boy - Favorite Record

{Verse 1}

Do you, do-do you remember

When we drove, we drove, drove through the night

And we danced, we danced to Rancid

And we danced, we danced

And I confessed, confessed

To you riding shot-gun

Underneath the purple skies

And we danced, we danced

With windows down

And we danced, we danced

(Spin for you like your favorite records used to)

(Spin for you like your favorite records)

{Chorus}

You were the song stuck in my head

Every song that I've ever loved

Play it again and again and again

And you can get what you want but it's never enough

And I spin for you like your favorite records used to

And I spin for you like your favorite records used to

Oh, ooh, oh-oh ooh

Oh, ooh, oh-oh ooh

Oh, ooh, oh-oh ooh

Oh, ooh, oh-oh ooh

{Verse 2}

And I can't, I can't

I can't remember just how to forget

Forget the way that we danced

We danced to Danzig

And we danced, we danced

**And when you ask, you ask me how I'm doing
Like you know, you know how much better off I am
And when we danced, we danced**

With windows down

And we danced, we danced

(Spin for you like your favorite records used to)

(Spin for you like your favorite records)

{Chorus}

You were the song stuck in my head

Every song that I've ever loved

Play it again and again and again

And you can get what you want but it's never enough

And I spin for you like your favorite records used to

And I spin for you like your favorite records used to

Oh, ooh, oh-oh ooh

Oh, ooh, oh-oh ooh

{Outro}

I spin, I spin, I spin, I spin

For you, for you, for you, for you, for you

(Spin for you like your favorite records used to, used to, to, to

Spin for you like your favorite records used to, used to, to, to)
