

Gee Threee - Theres no feeling left

|intro|

(noikoz, not impossible)

No

|chorus|

I understand you, i hope you understand me

And when you come around, got me feelin' like i can't breathe

And you don' wanna stay, baby i know you can't stand me

I wanna be wit' you, wit' you but girl you can't see

|chorus|

I understand you, i hope you understand me

And when you come around, got me feelin' like i can't breathe

And you don' wanna stay, baby i know you can't stand me

I wanna be wit' you, wit' you but girl you can't see

|post-chorus|

Why do i still think of you

Why do i still think of you

Why do i still think of you

Why do i still think of you

|chorus|

I understand you, i hope you understand me

And when you come around, got me feelin' like i can't breathe

And you don' wanna stay, baby i know you can't stand me

I wanna be wit' you, wit' you but girl you can't see

|chorus|

I understand you, i hope you understand me
