

## **Gee Threee - Leave This World!**

**|Chorus|**

**Can't breathe no sound, what it sound like  
The' nigga talkin' baby I know it ain't sound right  
Imma run it back, baby Imma do it all night  
Shawty fuckin' bad, she be shinin' in the moonlight**

**|Chorus|**

**Ca-can't breathe no sound, what it sound like  
The' nigga talkin' baby I know it ain't sound right  
Imma run it back, baby Imma do it all night  
Shawty fuckin' bad shi-shi-shinin' in the moonlight**

**|Verse|**

**Give you all my heart, then you stab me wit' a blade  
I don' give a fuck baby all I feel is pain  
Look me in my-look me in my eyes baby what you tryna say  
I can never switch baby I can never change  
Every-everything we had it will never be the same  
Everything we had baby I know it was fake  
I'm out wit' a dream girl, ain't no Kim K  
I be on my own, nigga I be makin' plays**

**|Alternative Verse|**

**Look me in my-look me in my eyes, what you tryna say  
I can never switch baby I can never change  
Every-everything we had it will never be the same  
Everything we had baby I know it was fake  
I'm out wit' a dream girl, ain't no Kim K  
I be on my own, nigga I be makin' plays**
